

Workshop #1

Aims: This workshop aims to clarify the steps each group followed to propose, plan and design the course project. As a group member, each member must be able to answer every single question of the following questions, ***not only the group coordinator:***

1. Tell us about yourself and your team
2. How to do begin a newly assigned project?
3. What are the knowledge areas relevant to doing a project?
4. Describe all the steps involved from the time of project initiation to project completion.
5. Did your colleagues or your group coordinator ever challenge your decisions?
6. How do you ensure your team stays on track to meet project deadlines?
7. What was the biggest challenge that you faced while working on this project?
8. How do you deal with changes to your project?
9. Did you face any problems with your co-workers in your previous phases (1 and 2)?
10. Provide conclusion and do you have any questions?

Time: the deadline is on Tuesday 23/07/2019. Each group has only 10 minutes for presentation and discussion session.
